covenants for the benefit of the Secured Party which shall remain in force at all times from and including the date of the GATS Security Instrument until the Security Interest granted pursuant to the GATS Security Instrument is released and discharged in accordance with Section 9.

(a) Information Covenant

At the written request of the Secured Party, it will furnish to the Secured Party any duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments which it is required to furnish to the Beneficiary pursuant to section 6.2(e) of the Trust Instrument Master Terms.

(b) Amendments to Trust Documents

Except to the extent constituting a Permitted Action, it shall not amend or modify, or enter into any agreement which has the effect of amending or modifying, any Trust Document.

(c) Termination of GATS Trust

Except to the extent constituting a Permitted Action, it shall not enter into any GATS Termination Instrument or otherwise agree to the termination of the GATS Trust.

(d) Nature of Beneficial Interest

(i) Except to the extent expressly provided in, or required or permitted by, if at all, section 3.6 of the GATS Trust Instrument or Section 4.3(d)(ii) below:

(A) it shall not execute any agreement, instrument or other document with the Beneficiary which expressly provides that the Beneficial Interest is or will be a 'security' governed by Article 8 of the UCC (as defined in the GATS Trust Instrument); and

(B) it shall not execute, authenticate or issue or cause the GATS Trust to execute, authenticate or issue any certificates in respect of or representing the Pledged Beneficial Interest.

(ii) The remainder of this Section 4.3(d)(ii) applies only if section 3.6 of the GATS Trust Instrument indicates that the Beneficial Interest, or any certificate representing it, constitutes a 'security' within the meaning of Article 8 of the UCC (as defined in the GATS Trust Instrument). The Trustee shall:

(A) ensure that, at all times, subject to any provisions in section 3 of the GATS Trust

Instrument relating to destroyed, lost or stolen certificates, the Pledged Beneficial Interest is represented by (1) one GATS Certificate of Beneficial Interest executed electronically and authenticated through and stored on the GATS Platform, and (2) no more than one manually executed duplicate original in the same form thereof (except for any provisions relating to electronic and digital execution and delivery);

(B) execute, authenticate and deliver on behalf of the applicable Trustee Party each GATS Certificate of Beneficial Interest in accordance with section 3 of the GATS Trust Instrument, Section 4.2(e) and Section 4.3(d); and

Nothing in this Section 4.3(d)(ii) shall prohibit any person making any electronic or hardcopy of the GATS Certificate of Beneficial Interest or any manually executed duplicate thereof.

4.4 Limited Purpose Covenants

Unless this Section 4.4 is expressly disappplied as indicated in schedule 3 (*Specific Information*) of the GATS Security Instrument, the Trustee makes the following covenants for the benefit of the Secured Party, and the Beneficiary agrees, for the benefit of the Secured Party, that it will not instruct, direct or otherwise cause the Trustee to violate the Trustee's covenants set forth in this Section 4.4. The following covenants shall remain in force at all times from and including the date of the GATS Security Instrument until the Security Interest granted pursuant to the GATS Security Instrument is released and discharged in accordance with Section 9.

(a) Except to the extent constituting a Permitted Action, the Trustee will administer the GATS Trust such that the GATS Trust shall not engage in any business or other activity.

(b) Except to the extent otherwise required by applicable law, the Trustee shall not take any Material Action without the consent of the Beneficiary, and the Beneficiary agrees that it shall

only give such consent in accordance with its constitutional documents or the Finance Documents if any such document contains restrictions on the Beneficiary causing the Trustee or the GATS Trust, as its 'subsidiary', to take Material Action.

- (c) No Trustee Party shall employ or maintain any employees other than as required by any provision of applicable law; provided that no employee of the Trust Company shall be deemed to be employees for purposes of this Section 4.4.
- (d) Except to the extent constituting a Permitted Action, no Trustee Party shall incur any Indebtedness; provided that neither the Beneficial Interest nor any obligations owed by any applicable Trustee Party or the Trust Company to the Beneficiary under any Trust Document shall constitute Indebtedness.
- (e) The Trustee will administer the GATS Trust such that the GATS Trust is a separate and readily identifiable business from, and independent of, each of the Unrelated Persons, it being understood that:
  - (i) the Unrelated Persons may publish financial statements that consolidate those of the GATS Trust and the Unrelated Persons, if to do so is required by any applicable law or accounting principles from time to time in effect; and
  - (ii) the subsidiaries of the GATS Trust may file consolidated tax returns with any such Unrelated Person and its or the GATS Trust's affiliates for tax purposes.

- (b) without notice except as specified in Section 5.2(a) below, and subject to the restrictions on assignment and transfer specified in section 10 of the Trust Instrument Master Terms (but without prejudice to

the Secured Party's rights under Section 5.1(a) above to instruct the Trustee):

- (b) The Secured Party shall not be obligated to make any Disposition of any of the Collateral, regardless of notice of any Disposition having been given. The Secured Party may adjourn any public or private Disposition from time to time by announcement at the time and place fixed for such Disposition, and such Disposition may, without further notice, be made at the time and place to which it was so adjourned.
- (c) Any cash held by the Secured Party as Collateral and all cash proceeds received by the Secured Party in respect of any Disposition of, collection from or other realization upon or distribution in respect of all or any part of the Collateral shall be held by the Secured Party as collateral for, and applied, as payment for any Secured Obligations.

### 5.3 Recognition by Trustee of Enforcement of Security Interest

Upon the Secured Party notifying the Trustee in writing that the Security Interest granted by this

Instrument has become enforceable, all rights, powers, options and discretions conferred on the Beneficiary and all consents, approvals, waivers and confirmations to be given by the Beneficiary under the GATS Trust Instrument, including the right to instruct the Trustee pursuant to section 3.2 of the Trust Instrument Master Terms (but subject always to the FAA Related Terms, if applicable), shall be exercisable only by or as directed by the Secured Party as if the Secured Party were named as 'Beneficiary' under the GATS Trust Instrument, and otherwise act as though it were the outright owner of all of the Beneficial Interest.
